

School Store Ordering

We have set up your school store on our website. Below is your school code that you will use to login. You can find the login page under the school stores link in the navigation menu or with the direct link below. Any relevant information for your school's store (ie. Last day for orders) is posted on the page. Below are instructions for ordering.

All orders will be collected through the determined end date. The full order will be placed together after to ship to the school or a pre-determined location.

*All school store shoe orders have a built-in cost off \$4.00/pair for shipping with smaller shipping costs added in for any additional accessories.
